RE IMAGINING WOOD

AkzoNobel

REIMAGINING WOOD FINISHES

Sadolin wood coatings combine a long tradition with innovative solutions to protect and decorate wood with lasting beauty. By combining state-of-the-art functionality with bold colours, Sadolin wood protection changes how wood looks and feels.

From contemporary to classical, interior to exterior, perfect wood finishes transform your experience and create extraordinary, artisanal spaces.

Now that Sadolin has reimagined wood finishes, isn't it time you reconsidered yours?
